

## MEC-1024

#### THE SEARCH FOR OLE'YELLER CONTINUES

#### Welcome to MEC-0124!

We're happy to see you are interested in our Maritime Explorer Club! We have ourselves a mystery that we need your help solving.

Long ago, legend says that a large creature used to lurk in the waters of the body of water we now know as Yellow Creek. While it hasn't been spotted in some years, the locals say *Ole' Yeller* used to play tricks on Sasquatch (which investigations of his whereabouts are also underway at the local Boy Scout camp) when he'd take his monthly baths. A "totally real, not made up" photo taken by a local photographer last year has been included in this letter.

The problem is, our club members need to have some skills so we can carry out our search for *Ole' Yeller* – are you up for learning the skills you need to get out on the water and search for this beast? If so, we're looking forward to getting to know you and seeing how you can help our club succeed in our mission!

Sincerely, Your Club Leaders

#### *FAQs*

What is a Maritime Explorer Club?

Maritime Explorer Clubs ("MECs") are a special-interest Exploring program that offer boys and girls water-based adventure and career exploration. Adventures include an emphasis in, on, or under water such as sailing, paddlesports, scuba or other types of boating. Career discovery includes maritime-related fields such as oceanography or STEM. Youth learn from experienced practitioners and professionals, as well as thru hands-on maritime experiences. This is lifelong learning, one exploration at a time. Character-building experiences plus life skills and career exploration meet fun and adventure in an exciting, informal format.

Is the Club co-ed? What is the age range?

Provided that a sufficient number of male and female adult leaders come forward, we would like to offer the program as a co-ed one.

Boys and girls who graduated 5<sup>th</sup> grade thru those who have not completed the 8th grade are eligible to join a Maritime Explorer Club. The age range for participation within these grade levels is 10-14.

When do we start and what is the schedule?

Beginning in June, we begin holding weekly meetings (generally at the sailing base), which meetings will continue until the end of August.

Rev. 2 29MAY25

## MEC-1024

#### THE SEARCH FOR OLE'YELLER CONTINUES

In September, we hold a single monthly meeting throughout the 'off season'. This will hopefully avoid most of the potential conflicts with other scouting units.

#### Do I actually get to skipper a boat?

Yes! One of our goals is to help all our Scouts become competent sailors, so you'll certainly be spending plenty of time at the tiller. You'll learn how to rig and launch, sail upwind, conduct an overboard rescue and much more. Sailors will have the opportunity to earn US Sailing small boat certification and a Pennsylvania Boating License.

#### What will our Club do?

Weren't you paying attention? Learning the skills we need to find *Ole' Yeller*. These can include things like:

- Swimming
- Seamanship
- Navigation/Charts
- Environmental Sciences
- Paddlecraft/Sailing
- Marine Engineering
- History & Investigation

We also have the potential to take trips with the proper planning and preparation to see how others have searched for seldom-seen creatures.

#### What are the costs of the program?

For Scouts already registered in another BSA program, no additional registration fees are required.

For other youth members, \$50 is required to cover fees required by the National BSA organization as well as our local council.

Financial assistance is available to help defray some or all of these costs.

Please note that this does not include the costs of awards, activities, uniforms, etc.

#### What about a uniform?

We'll have a 'club uniform' (consisting of a hat and t-shirt with our logo on it) for all Club activities (how else can we tell who we can trust with what we learn about *Ole' Yeller*?).

As a parent, how can I interact with the program?

We'd love to have you come aboard!

We have a Committee, which assists in planning social events, fundraisers, and other critical aspects of our program.

We also have the Sponsors, who directly interact with our Explorers and are the front line in making sure our program has wind in its sails.

Finally, we have Consultants, who are those that have some related background and are willing to help guide our Explorers.

# Forms Paperwork to be completed and turned in to Club

For youth 17 years old and younger

Exploring brings business and community leaders together to help young people reach their full potential. Exploring offers youth and young adults unique, hands-on experiences in an environment that develops leadership, character, and confidence through many immersive and empowering moments along the way.

#### OUR MISSION

Deliver character-building experiences and mentorship that allow youth to achieve their full potential in both life and work.

#### OUR VISION

Shape the workforce of tomorrow by engaging and mentoring today's youth in career and life-enhancing opportunities.

**PROGRAM UPDATE:** This youth application is to be used only for youth 17 years old and younger. Beginning \*January 6, 2020, all applicants 18 through 20 years old must complete and submit an adult application, consent to a criminal background check, and successfully complete Youth Protection training. However, an 18- through 20-year-old will still be considered an adult Exploring participant in the post, and not considered an adult leader.

#### **CLUBS**

The Exploring club career education program is for young men and women in the sixth, seventh, and eighth grades. They must be at least 10 years old but not yet 15 years old and have completed the fifth grade but have not yet completed the eighth grade. For those individuals who are 15 years old or older, please review the guidelines for joining Exploring posts.

#### **POSTS**

The Exploring post career education program is for young men and women who have completed the eighth grade and are at least 14 years old and not yet 21.

NOTE: \*This updated start date for this policy is August 1, 2020.

## **Exploring Information for Parents**

A parent or guardian must certify that he or she has read this information sheet for all applicants under 18 years of age.

#### **Welcome to Exploring!**

Please take the time to review this material and reflect upon its importance.

#### **Exploring and Participating Organizations**

Exploring is a program of Learning for Life—a nonprofit organization that provides character and career programs and resources to youth across the country. Exploring is made available to our nation's youth through agreements with community organizations to operate Exploring clubs and Exploring posts.

The participating organization must provide an adequate and safe meeting place and capable adult leadership, and must adhere to the principles and policies of Exploring. The local council provides adult training, program ideas, outdoor facilities, literature, professional guidance for adult leaders, and liability insurance protection.

#### **Exploring's Adult Leaders and You**

Exploring's adult leaders provide leadership at the unit, district, council, and national levels. Many are parents of Explorers. Each participating organization establishes a unit committee, which operates its Exploring unit, selects leadership, and provides support for a quality program. Unit committees depend on parents for membership and assistance.

The unit committee selects the post advisor or club sponsor, subject to approval of the head of the participating organization and of Learning for Life. Adult leaders must be good role models because our children's values and lives will be influenced by that adult. You need to know your child's adult leaders and be involved in the unit committee's activities so you can evaluate and help direct that influence.

Exploring uses an interactive program to promote character development, citizenship training, and career education for every participant. You can help by encouraging attendance, attending meetings for parents, and assisting when called upon to help.

**Youth Protection Begins With You<sup>TM</sup>.** Child abuse is a serious problem in our society, and unfortunately, it can occur anywhere. Youth safety is of paramount importance to Exploring. For that reason, Exploring continues to create barriers to abuse beyond what have previously existed in Exploring.

Exploring places the greatest importance on providing the most secure environment possible for our youth participants. To maintain such an environment, Exploring has developed numerous procedural and adult leader selection policies, and provides parents and adult leaders with numerous online and print resources for the Exploring programs.

**Health Information.** You should inform your unit leader of any condition that might limit your child's participation. Please fill out the Annual Health and Medical Record found on www.exploring.org and give it to the unit leader.

The annual national registration fee is nonrefundable.

For general questions, contact your local council.

#### **Program Policies**

Participating organizations agree to use the Exploring program in accordance with their own policies as well as those of Learning for Life. The program is flexible, but major departures from Exploring methods and policies are not permitted. As a parent, you should be aware that

- Exploring adult participation is restricted to qualified people.
- · Citizenship activities are encouraged, but partisan political activities are prohibited.
- Military training and drills are prohibited. Marksmanship and elementary drills for ceremonies are permitted.

#### **Youth Protection Policies**

- Two registered adult leaders 21 years of age or over are required at all activities, including meetings. There must be a registered female adult leader 21 years of age or over in every unit serving females. A registered female adult leader 21 years of age or over must be present for any activity involving female youth.
- One-on-one activities between participants and adults are never permitted. Even personal conferences must be conducted in plain view of others.
- Corporal punishment, hazing, and bullying are not permitted in Exploring. Only constructive discipline is acceptable. Parents and unit leaders must work together to solve discipline problems.
- Youth Protection training must be taken every two years. This training can be taken at www.exploring.org/training-safety.
- We encourage all parents to be involved with their Explorer. There are no "secret" organizations in Exploring and all Exploring activities are open to parental visitation.
- If you suspect that a child has been abused, immediately contact the local authorities and the council executive.
- Effective on the participant's 21st birthday, he or she must register as a leader and can no longer be a
  youth participant.

#### **Policy of Nondiscrimination**

Youth participation is open to any youth in the prescribed age group for that particular program. Adults, 21 years of age and older, are selected by participating organizations for involvement in the Learning for Life programs. Color, race, religion, gender, sexual orientation, ethnic background, disability, economic status, and citizenship are not criteria for participation by youth or adults.

Youth and adults involved with Learning for Life programs, including Exploring, are registered with Learning for Life as participants.

**Ethnic background information.** Please fill in the appropriate circle on the application to indicate ethnic background. This information helps Learning for Life and Exploring plan for success in serving all youth.

#### **Thank You**

Learning for Life appreciates you taking time to become familiar with Exploring. We feel that an informed parent is a strong ally in delivering the Exploring program. Help us keep the unit program in accord with Exploring principles. Please do your fair share to support a quality program.

# PCU OLE' YELLER

## (MEC-1023)

#### YOUTH EXPERENCE SURVEY

2. Do you think Ole' Yeller is real or not? Why?
3. What skills do you think we need to learn more about in order to get out on the lake and search or Ole' Yeller?
4. Describe your background in Scouting, if any.

5A. If so, do you have any sailing-related boating experience

5. Describe your boating background, if any.

1. Why did you join the Maritime Explorer Club?

6. Is anyone in your immediate family a current or former member of one or more of the following groups? *Circle all that apply* 

US Coast Guard Auxiliary	US Power Squadron	US Sailing	US Navy	US Coast Guard
Merchant Mariner	Recreational Boater	Marina/Boat Repair	US Coast Gu	ard Auxiliary

- 7. Describe your swimming ability.
- 8. List any leadership positions you have held with other organizations.

Rev. 1 01AUG23

### Participant Waiver- Community Sailing / FOYC Base - 2025

Completion of this form, waiver, and payment of annual membership required for use of the sailing base. **Guests may use the facility when accompanied by a paid member provided the waiver below is complete.** Contact friendsofyellowcreek@gmail.com for information on base access policy, door code, etc. Repeat guests are asked to join. Members are responsible for collecting these waivers and submitting to Ken Sherwood (friendsofyellowcreek@gmail.com) FOYC PO Box 1401 Indiana, PA 15701
